

# ATTENTION ALL STATE OF DELAWARE EMPLOYEES AND PENSIONERS

## Coming soon to “The First State”— the company ranked #1 in prescription plan services.\*

### Superior services from Medco starting July 1<sup>st</sup>— at *no* additional cost.

Here's good news for State of Delaware employees and pensioners. Effective July 1<sup>st</sup>, Medco will be your new prescription plan manager. The State of Delaware selected Medco because of the outstanding care, safety and support you'll receive — with *no increase in your premium or co-payments by your plan.*

These are just some of the services Medco offers you:

- 24/7 access to knowledgeable pharmacists for round-the-clock assistance
- An award-winning mail-order pharmacy and website
- A nationwide network of thousands of participating retail pharmacies  
*Encourage your pharmacy to participate in the 90-day retail network so you can pay the lowest co-payment.*

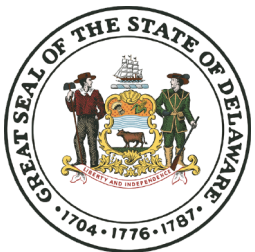

### Check the mail for your Welcome Kit. That's all there is to it.

In mid-June, you'll receive your Welcome Kit. Inside you'll find your new Medco prescription ID card to begin using July 1<sup>st</sup>. It's simple. If you do have questions, call Medco at 1 800 939-2142, 24 hours a day, 7 days a week.

Your coverage remains the same. Your cost remains the same. So what's different? You'll receive the superior level of service and support that only Medco can provide.

### Because there's only one “First State.” And only one Medco.

\*Medco was rated #1 in overall customer satisfaction for 5 consecutive years, 2001–2005; and #1 in mail-order and website pharmacy services for 4 consecutive years, 2002–2005; by Wilson Rx, an independent healthcare consumer research firm.
